## Web Developer / Unix Administrator

### Profile

Computers have been my passion since childhood. I have undertaken and completed graduation in Computer Application from India and currently studying an AEC program in Web Application Development from Canada to acquire the necessary knowledge for a career in these fields. I am dynamic, efficient and versatile, with a great sense of self-reliance and analysis. I easily adapt to various situations such as problem solving. Also, I am experienced as a Front end developer for 6 months in Proponent technologies and Unix Administrator and IT Support with 2.9 years in Wipro Technologies.

### Skills

Operating systems	Windows (xp/7/8/10), 2008/2012/2016/2019), Linux : CentOS and Ubuntu.
Language	PHP, MYSQL, HTML,CSS, JS, C++, JAVA.
Library and Lirary package	JQUERY, JSON.
FrameWork	NODE.JS.
Concepts	REST API, CRUD.
Other tools	Visual studio code Postman GIT

### Training
